NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

Elizabeth Craig, Acting Assistant Administrator  
for Air and Radiation  
U.S. Environmental Protection Agency  
401 M Street, SW  
Washington, DC 20460

Dear Ms. Craig:

This is to advise the Agency that the U.S. Nuclear Regulatory Commission (NRC) has approved an Agreement with the Commonwealth of Virginia under Section 274 of the Atomic Energy Act of 1954, as amended. This Agreement transfers to the Commonwealth the Commission's regulatory authority over byproduct material, source material, and special nuclear material in quantities not sufficient to form a critical mass. The Agreement became effective on March 31, 2009. Enclosed is a copy of the Agreement for your information.

Sincerely,

A handwritten signature in dark ink, appearing to read "R. Lewis", is positioned above the typed name of the Director.

Robert J. Lewis, Director  
Division of Materials Safety and State Agreements  
Office of Federal and State Materials  
and Environmental Management Programs
